## COCKTAILS

*Mixed the way they should be*

---

Dear Smokers,

Salutations and welcome to our peculiar world of fire and brimstone. For your pleasure and entertainment we have gathered a destructive collection of spirits, accomplished liquors, scrumptious tipples and awesome brews.

They are presented here for you by our bar team, who will not hesitate to mix it all up in a poisoned drink, a drink that will taste so holy that you'd never expect it to be so traitorous.

But we do it all with respect, passion and love for the craft that we represent.

All jokes aside, my name is Donald Simons, your head bartender here at Black Smoke and it's my pleasure to welcome you here in the Black Smoke Bar with my team. Enjoy the experience and if you have any questions we are here at your disposal.

DONALD SIMONS

---

So the straw in your drink may not be the straw you are used to, but straw, paper or PLA straws are our little way of helping the environment and making this planet a better place.

## BLACK SMOKE'S FAVORITES

## LICORS

ST-GERMAIN ELDERFLOWER € 9,00

*St-Germain is a French liqueur made with fresh elderflowers, hand-picked once a year in the late spring. As the world's first, finely crafted all-natural elderflower liqueur, its flavour is as subtle and delicate as it is captivating, evidenced in its sublime notes of peach, pear, and grapefruit, yet none of them exactly. Perhaps contributing to its elusive reputation is that of French savoir faire an inconspicuous ingredient that is all at once essential to St-Germain's endless charm.*
